*"fortune favours the prepared mind"*

## **Noble Manhattan Coaching Individual and Corporate Programs**

### **BACKGROUND**

Founded in 1993, NMC Ltd is the longest established coach training company in Europe. It's reputation for creating superb coaches is second to none. An international company with a heart, students are truly welcomed into the Noble Manhattan family.

Noble Manhattan is Europe's leading coaching company and is amongst the top six global coaching companies out of 800. It offers a wide range of coaching and business courses, many of them accredited by the ILM (Institute of Leadership and Management) and the IIC (International Institute of Coaching).

Noble Manhattan coaching has trained in excess of 8000 professional life coaches and executive coaches worldwide.

The company currently trades in 27 countries around the world

The founder of Noble Manhattan, Mr. Gerard O'Donovan, is an internationally acclaimed authority in coaching discipline and at the same time he is the CEO of the IIC. He is a top coach, motivational speaker, consultant, writer and trainer.

## Corporate Programs

Programs	Length	Investment	Recognition
<p><b><u>Corporate &amp; Executive Diploma</u></b></p> <p>You will learn a practical step-by-step approach that supports your understanding and development as a coach in the business and corporate environment.</p> <p>A practical approach to the world of leadership and what it takes to be a competent coach of leaders. You will explore material that considers the individual and what it takes for them to perform better within their organisations, and explores the relationship between the day-to-day behaviour of leaders and what might be the psychological “drivers” that underpin these behaviours.</p>	225 hours	3997 Pounds /person	International diploma
<p><b><u>Certificate in Workplace Coaching</u></b></p> <p>This ground breaking programme offers in-house training that will equip your managers to become effective, certificated in-house coaches. The content can be tailored to include any organisational initiatives or themes as required and delegates learn through theory and practical application how to bring out the best in their staff. <b>Objectives:</b> • To understand the definitions and role of coaching in organisations. • To learn some coaching tools and models. • To practice coaching techniques. • To develop great coaching skills.</p>	5 days + Distance learning	35000 Pounds for 25 participants	International certification
<p><b><u>Masterclasses</u></b></p> <p>The Coaching MasterClass replicates the actual structure and process of real-life coaching for the purposes of: • Individual benefit • Efficient team work • Goal Achievement and problem solving. The class centers on ongoing, evolving professional development to achieve core competencies in personal, executive and team coaching. The groups address and help to solve real-life executive or team coaching problems proposed by participants.</p>	10 days	2200 Pounds /person	International certification
<p><b><u>Coaching Fundamentals</u></b></p> <p>This is a great place to start your journey into the world of workplace coaching, providing you with essential coaching theory, knowledge and practice. Not only is it a certified course in its own right, which can immediately improve work communication and management, but it offers seamless progression to our other courses whether it is life dynamics or the corporate environment you choose. Objectives: • to give you basic information if you are new to coaching and are eager to start learning • to give you tools if wish to implement coaching into your workplace with colleagues or to improve your supervisory, team or management skills • flexible learning</p>	3 days	1750 Pounds / person	International certification
